

# One Woman Army

[Kate Earl](#)

Never knew what I was signing up for  
Knew it was hard but not this hardcore  
Never gonna stop, never gonna give up on you  
No matter what I do

(Chorus)

Here I am baby, Iâ€™m your one woman army  
Iâ€™d fight for you, Iâ€™ll die, Iâ€™ll be your protector  
Here I am baby, Iâ€™m your one woman army  
No matter what may come, I wonâ€™t surrender

Wanna give you everything I never had  
Love you and teach you good from bad  
Never gonna stop, never gonna give up on you  
No matter what I do

(Chorus)

Here I am baby, Iâ€™m your one woman army  
Iâ€™d fight for you, Iâ€™ll die, Iâ€™ll be your protector  
Here I am baby, Iâ€™m your one woman army  
No matter what may come, I wonâ€™t surrender

What I do, I do for you the best I can  
Build a life for you with my own two hands  
Never gonna stop, never gonna give up on you  
No matter what I do

(Chorus) X3

Here I am baby, Iâ€™m your one woman army  
Iâ€™d fight for you, Iâ€™ll die, Iâ€™ll be your protector  
Here I am baby, Iâ€™m your one woman army  
No matter what may come, I wonâ€™t surrender
