My Little Secret

Caliban

I wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Say my name and I will rise againI will rise again, I will kill again, I will
Say my name and I will kill againI wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Say my name and I will rise againHere is my little secret
Stay back or I will kill, kill killI promised you my blood
I gave you my life
But you threw it all awayGo, run, flee
Go, run, flee fasterI wake up in flames
Like everyday with my heart in my hands
I wake up in flames
Say my name againHere is my little secret
Stay back or I will kill, kill kill
