

# My Little Secret

## Caliban

I wake up in flames  
Like everyday with my heart in my hands  
I wake up in flames  
Say my name and I will rise again I will rise again, I will kill again, I will  
Say my name and I will kill again I wake up in flames  
Like everyday with my heart in my hands  
I wake up in flames  
Say my name and I will rise again Here is my little secret  
Stay back or I will kill, kill kill I promised you my blood  
I gave you my life  
But you threw it all away Go, run, flee  
Go, run, flee faster I wake up in flames  
Like everyday with my heart in my hands  
I wake up in flames  
Say my name again Here is my little secret  
Stay back or I will kill, kill kill
