Back In Love

Estelle

I feel like, somethin' different
(Ha)
Yo, Huh
Feelin' good up here, hope you are too
Besides but there's always someone
Who's gotta say somethin' stupid
Da, da, da, gone, gone
I see you watching me
(I see you watchin')
And I know you're looking deep in my face
(All in my face)
I just can't wait, can't wait to be found
But I ain't going out no way
You see me rising higher
(Higher)
And you try to put some news in my way
But I'm bigger and stronger
Guess I'll go faster
And you'll never gonna get in my way, hey, hey
So, go, go, go, gone
Uh uh
Ah, uh uh, ah, uh uh
So
Go, go, go, gone
Uh uh, ah, uh uh
Nothin' you say means nothin' to me
(Nothin' to me)
And I'm still gonna be where I wanna be
If I dye my hair orange
(Orange)
Never say I'm sorry
(Sorry)
And I'm never gonna change for you
Ooh, ooh, ooh
All I know is I do my best
(I do my best)
And the best as far as I can see
See God gave me honors
And he made me who I am

And the best is good enough for me
Ee, ee, ee, ee
So go, go, go, gone
Uh, uh ah, uh uh, ah, uh uh
So go, go, go, gone
Uh uh, ah, uh uh
(Nothin' to say)
Nothin' to say
(Keep it shut)
Keep ya mouth shut
(You shouldn't hate)
Shouldn't hate stuff puttin' out
That negative energy
Bring back the love
(Nothin' to say)
You have nothin' nothin' good to say
(Keep it shut)
Keep it shut
(You shouldn't hate)
You shouldn't hate
Bring back the love, I said bring back the
Bring back the love
So go, go, go, gone
Uh, uh ah, uh uh, ah, uh uh
So go, go, go, gone
Uh uh, ah, uh uh
Uh, well, yo
Feelin' good out there
(Ah, uh uh, ah, uh uh)
Whoo
(Ah, uh uh, ah, uh uh)
So go, go, go, gone
Uh uh ah, uh uh, ah, uh uh
So go, go, go, gone
Uh uh, ah, uh uh
So go, go, go, gone
Uh uh, ah, uh uh, ah, uh uh
So go, go, go, gone
Uh uh, ah, uh uh, ah, uh uh
You shouldn't hate
Bring back the love
Ooh
