

Eden

Hooverphonic

Did you ever think of me
As your best friend?
Did I ever think of you?
I'm not complaining I never tried to feel
I never tried to feel this vibration
I never tried to reach
I never tried to reach your Eden Did I ever think of you
As my enemy?
And did you ever think of me?
I'm complaining I never tried to feel
I never tried to feel this vibration
I never tried to reach
I never tried to reach your Eden
