Only You

You're the one who fits into my master plan...
Your heart with mine is like being in wonderland
You're the one who makes my heart skip a beat...
You're the only one I've ever wanted to keep...Only You...

Chorus
If only you could be with only me--can make my dreams come true
If only you could be with only me--can make my grey sky blue
If only you could be with only me--you have helped me see...
If only you could be with only me--That it's only you for me...

You're the one who makes me feel so warm and safe...
You're the one that brought me to that special place
You're the one I want to hold my love so true
and I will allows be in love with you...Oh.....

If only you could be with only me--can make my dreams come true
If only you could be with only me--you turned my grey sky blue

If only you could be with only me--That it's only you for me...

You're the one who holds the key..
All the secrets inside me...you found my silly side
You found the one that tried to hide
You took the chance, and created our romance
You gave me eyes to see, is you is where, I want to be girl.....

If only you could be with only me--you turned my grey sky blue
