

Ain't No Joke

Crime Mob

Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke

Well I, I, I ain't no joke, I ain't no joke You're a imposter the money I'll be after
Peeping up on my roster I check you
And if you got a problem come and solve it I ain't no
'Cause I'm the flawless chick just thought that you should know
Ain't no need to question 'cause it's clear that I'm the baddest
If you think I'm joking you should check my status
I know you think we're cool but it's okay you ain't my folk
Just bring it to the wood and I'm show you I ain't no joke You know KC a killer so label me a thriller
I'm known for smoking men but never smoking Reggie Miller
You know push come to shove when we smoking on some drugs
You with some killers you with some thugs
A T L, a real MOB money getters
Call us gorilla we stacking on bigger figures
Ain't scared to pull swanging on
Killa C, MOB, now who the think they realer young Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke
Well I, I, I ain't no joke, I ain't no joke

Well I, I, I ain't no joke, I ain't no joke This for all you jabble mouths that smother me with nonsense
Talking big and tough but get nervous when my tool click
This ain't no joke and this for sure you'll get your ass drug
Coming at me wrong I'll run you home dripping licking
I don't give a I got ana to y'all hatin' suckas
You gone see me get buck up on you mother
I'm no busta so don't try me like no Erkel nerd
When these combos come you'll be stunned like I struck a nerve You shoulda listened to your conscience now
I'm coming right at ya
I pull your cards like a magician abra cadabra
I'm the master of this army you could be my apprentice
