Everything

Ben Harper & The Innocent Criminals

Behind all of your tears
There's a smile
There's a smile
Behind all of the rain
There's a sunshine
For miles and milesOh- Everything
Everything
You mean everything
You mean everything
Everything to me
Everything to meThe colors of your garden
They're yellow, blue and green
And the sound of your sweet voice
It's better than all my dreams
Oh- Everything
Everything
You mean everything
You mean everything
Everything to me
Everything to meYour my first thought in the morning
When I rise
Oh- when I rise
You're my last thought in the evening
When I rest my head at nightOh- Everything
Everything
You mean everything
You mean everything
Everything to me
Everything to me
Oh- Everything
Everything
You mean everything
You mean everything
Everything to me
Everything to me
Everything to me
Everything to me
