

When I See That Girl of Mine [Unreleased Demo Reco

The Kinks

When I see that girl of mine
Makes me want to sigh
When I see that girl of mine
Makes me want to sigh

[Chorus]

I don't care if the sun don't shine
Long as I can see that girl of mine
I know everything'll be fine
When I see that girl of mine
When I see that girl of mine

Getting ready and looking my best
Got to look my best so I'm taking my time
Cause I need that girl of mine
I know that she'll be mine so I'll keep on trying

[Chorus]

Can't you see she's the only girl for me
And when people look at me they can see
They can see, they can see, they can see
When I see that girl of mine
Makes me want to sigh
When I see that girl of mine
Makes me want to sigh

[Chorus]

When I see that girl of mine
