Blue Rose Is (single)

Pam Tillis

Her lips and her dress, they're both ruby red
She tinks that's how you hide the pain you feel inside
And she comes out every night to soak up the neon light
Her perfume fill the air, people stop and stare, but...Blue Rose is looking for the moon in someone's eyes
Blue Rose is willing to believe someone's lies
Now Blue Rose's petals have been crushed along the way
Oh, Blue Rose is just growing bluer everydayOne more drink, one more dance, you might be her only chance
She needs someone to hold when the night is growing old
And if you don't mind the thorns, she'll take you in and keep you warm,
Lying in the dark in a bed of broken hearts, 'cause...Blue Rose is looking for the moon in someone's eyes
Blue Rose is willing to believe someone's lies
Now Blue Rose's petals have been crushed along the way
Oh, Blue Rose is just growing bluer everyday
