

# Laila

**Anand Raaj Anand & Mika Singh**

Laila, Laila, Laila, Laila, Lai  
Laila, Laila, Laila, Laila, Lai  
Laila, Laila, Laila, Laila, Lai  
Laila, Laila, Laila, Laila, Lai  
I'm justified and banned, baby for your love  
Oh, I need you every day  
I don't care, my feelings are just enough  
This time, oh we'll go my way  
It's not a problem, please don't go away  
I don't care what people say  
Laila, Laila, Laila, Laila, Lai  
Oh I miss you Laila  
Laila, Laila, Laila, Laila, Lai  
Oh I need you Laila  
Oh, Laila it's like ecstasy  
Are you ready, oh come fly with me  
Oh, little Laila, I make dreams come true  
In a land of love for me and you  
Anytime I see you, I'm hypnotized  
Why we're going separate ways  
The mystery of love, babe I'm specialized  
Oh, I miss you every day  
Oh, we're searching just together, girl  
Baby, for a better world
