

# Waterfalls

Stooshe

Lonely mother gazing out of her window  
Staring at her son that she just can't touch  
If at any time he's in a jam she'll be by his side  
But he doesn't realise he hurts her so much But all the praying just ain't helping at all  
Cause he can't seem to keep himself put of trouble  
So he goes out and he makes his money the best way he knows how  
Another body laying cold in the gutter (Listen to me) Don't go chasing waterfalls  
Please stick to the rivers and the lakes that you're used to  
I know that you're gonna have it your way or nothing at all  
But I think you're moving too fast Little precious has a natural obsession  
For temptation but he just can't see  
She gives him loving that his body can't handle  
And all he can say is baby is good to me One day he goes and takes a glimpse in the mirror  
But he doesn't recognise his own face (Recognise his own face)  
His health is fading but he doesn't know why  
Three letters took him to his final resting place (You're gonna hear me) Don't go chasing waterfalls  
Please stick to the rivers and the lakes that you used to  
I know that you're gonna have it your way or nothing at all  
But I think you're moving too fast I see a rainbow yesterday but too many storms  
Have come and gone even a trace of not one God giving ray  
Is it because my life is ten shades of grey I pray all ten fade away  
Seldom praise him for the seven days And like his promise is true  
Only my faith can undo  
The many chances I blew  
To bring my life to anew Clear and blue  
And unconditional skies  
Have dried the tears from my eyes  
No more lonely cries Don't go chasing waterfalls  
Please stick to the rivers and the lakes that you're used to  
I know that you're gonna have it your way or nothing at all  
But I think you're moving too fast (Oh you're moving too fast) Don't go chasing waterfalls  
Please stick to the rivers and the lakes that you're used to  
I know that you're gonna have it your way or nothing at all  
But I think you're moving too fast, moving too fast.
