

Citizen

Vice Squad

Words that taunt, a face that sneers
Is it envy or is it fear?
What gives you the right to criticise?
When you lead such useless lives Upright citizen The law is always on your side
You're never stuck for a place to hide
As time goes by your vision goes
You can't see past the end of your nose Corrupting your children, telling lies
Complacent cowards, wasting your lives
You've got freedom of speech and nothing to say
Put your trust in politicians and believe you're safe
