

Lets Go (To War)

Guided By Voices

The king is in battle
So everyone else
Now to war
Now to war
Shot a rabbit in the eye
??
Get outta war
Now to war
I've got you good news
It's all over town
They ???
I hope ???
Let's go!
I've got you good news
It's all over town
They ???
I hope ??? plans
Four and twenty blackbirds baked into a pie
The queen is in the kitchen ???
