

# AVENUES & ALLEYWAYS

## CHRISTIE, TONY

Sleep like a baby my little lady  
Dream till the sunrise creeps into your eyes  
Dream till the sunrise turns on the day

In the avenues and alleyways  
While you sleep, there's a whole world coming alive  
Abel and his brother fight with one another  
In and out of every dive

The avenues and alleyways  
Where the strong and the quick alone can survive  
Look around the jungle, see the rough and tumble  
Listen to a squealer cry  
Then a little later in the morning paper  
Read about the way he died

Wake up, my pretty, go to the city  
Stay through the daytime, safe in the sunshine  
Stay till the daytime turns into night

In the avenues and alleyways  
Where a man's gotta work out which side he's on  
Anyway he chooses, chances are he loses  
No one gets to live too long

The avenues and alleyways  
Where the soul of a man is easy to buy  
Everybody's wheelin', everybody's stealin'  
All the low and living high  
Every city's got 'em, can we ever stop 'em?  
Some of us are gonna try
