

This Charming Man

Gypsies of Bohemia

A punctured bicycle
On a hillside desolate
Will nature make a man of me yet
When in this charming car
This charming man
Why pamper life's complexities
When the leather runs smooth on the passenger seat?
I would go out tonight
But I haven't got a stitch to wear
This man said it's gruesome
That someone so handsome should care

I'm just a country boy
Who never knew his place
He's safe written the raven
He knows so much about her
He knows so much about these things
And would go out tonight
But I haven't got a stitch to wear, oh yeah
This man said it's gruesome
That someone so handsome should care
