Don't Be Shy

Pearl Jam

Well, don't be shy
Just let your feelings roll on by
And don't wear fear
'Cause nobody will know you're thereJust lift your head
And let your feelings out instead
And don't be shy
Just let your feelings roll on byOn by, on by, on by
On by, on by, on by
On by, on by, on byYou know love is better than a song
Love is where all of us belongSo don't be shy
Just let your feelings roll on by
And don't wear fear
Or nobody will know you're thereYou're there, you're there, you're there
You're there, you're there, you're there
You're there, you're there, you're thereSo don't be shy
Just let your feelings roll on by
And don't wear fear
Or no body will know you're thereOr lift your head
And let your feelings out instead
And don't be shy
Just let your feelings roll on byOn by, on by, on
On by, on by, on by
On by, on by, on by
On by, on by
