## You Get What You Give

New Radicals--You Get What You GiveWake up kids

We've got the dreamers disease

Age fourteen

They got you down on your knees

So polite

You're busy still saying please

Frenemies

Who when you're down ain't your friend

Every night

We smash their mercedes-benz

First we run

And then we laugh 'til we cry

But when the night is falling

And you cannot find the light

If you feel your dream is dying

Hold tight

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through

Don't give up

You've got a reason to live

Can't forget

We only get what we give

Four a.m. we ran the miracle mile

We're flat broke

But hey we do it in style

The bad rich

God's flying in for your trial

But when the night is falling

And you cannot find a friend

You feel your tree is breaking

Just bend

You've got the music in you

Don't let go

You've got the music in you

One dance left

The world is gonna pull through

Don't give up You've got a reason to live Can't forget We only get what we give This whole damn world can fall apart You'll be ok follow your heart You're in harms way I'm right behind Now say you're mine You've got the music in you Don't let go You've got the music in you One dance left The world is gonna pull through Don't give up You've got a reason to live Can't forget We only get what we give Don't let go I feel the music in you Fly high What's real can't die You only get what you give You're gonna get what you give Just don't be afraid to leave Health insurance rip off lying FDA big bankers buying Fake computer crashes dining Cloning while they're multiplying Fashion shoots with Beck and Hanson Courtney Love and Marilyn Manson You're all fakes run to your mansions Come round here we'll kick your asses.
