

# Human Nature

**Matt Giraud**

Looking out across the night-time  
The city winks a sleepless eye  
Hear her voice, shake my window  
Sweet seducing sighsGet me out into the night-time  
Four walls won't hold me tonight  
If this town is just an apple  
Then let me take a biteIf they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?  
If they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?Reaching out to touch a stranger  
Electric eyes are everywhere  
See that girl, she knows I'm watching  
She likes the way I stareIf they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?  
If they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?  
I like livin' this way, I like livin' this wayLooking out across the morning  
The city's heart begins to beat  
Reaching out, I touch her shoulder  
I'm dreaming of the streetIf they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?  
If they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?If they say why, why?  
Why, why does he do me that way?  
If they say why, why? Tell 'em that is human nature  
Why, why does he do me that way?  
I like livin' this way
