Shelter

Dorothy

I'm a hurricane
I'm a freight train
Ain't the right way
But it's the only way I knowSo when my bones come tumblin' in
I did it to myself
Will you still let me inWill you give me shelter
Will you give me shelter
Will you give me shelter
From myself
Will you give me shelter
Will you give me shelter
Will you give me shelter
From myself
From myselfI'm a world of pain
And you're a safe place
When I run away
You're the only home I know
I'm still runnin'
I'm still runnin'So when my bones come tumblin' in
Oh I did it to myself
Will you still let me inWill you give me shelter
Will you give me shelter
Will you give me shelter
From myself
Will you give me shelter
Will you give me shelter
Will you give me shelter
From myself
From myselfOoh ooh ooh
Ooh ooh ooh
Cause I need shelter
Ooh ooh ooh
Ooh ooh ooh
From myselfCause when my bones come tumblin' in
Oh I did it to myself
Will you still let me in
Will you still let me inWill you give me shelter
Will you give me shelter
Will you give me shelter

From myself
Will you give me shelter
Will you give me shelter
Will you give me shelter
From myself
From myselfCause I'm a hurricane
I'm a freight train
