You hope that he will change,
But he'll just stay the same
Cuz you're falling for a douche bag, baby

Who gets his tan from a can
Bad words tatooed on his hand
Cuz he's so cool

He makes you massage his feet
His dog sits in the front seat
His farts are never discrete
And he will always be a tool.I wanna love you
You know I would do anything for you
I wanna help you
But you just keep on letting him hurt you
He'll hurt you.[Chorus]D-bag d-d-ba-ba x3
