I Don't Want You to Go (But I Need You to Leave)

Aaron Watson

Here we go....You're too hard to handle
Scandal after scandal
You must think I'm naive
I don't want you to go
But I need you to leaveIt's wild alibis and those outrageous lies
You expect me to believe
I don't want you to go
But I need you to leaveWell, I've thought about it and I've made up my mind
It's time we call it quits
You know you may be fun for Saturday night
But the rest of the week is the pitsMeasure what we have between the good and the bad
And there's just too much uncertainty
I don't want you to go
But I need you to leaveBecause you placed the blame on the pink champagne
For dancin' naked on New Year's Eve
I don't want you to go
But I need you to leaveI'll buy a one-way ticket to destination - you pick it
Anywhere from Tulsa to Tel Aviv
I don't want you to go
But I need you to leaveWell, I've thought about it and I've made up my mind
It's time we call it quits
You know you may be fun for Saturday night
But the rest of the week is the pitsAnytime you're nice, I can't help but think twice
There's always something up your sleeve
I don't want you to go
But I need you to leave
I don't want you to go
But I need you to leave
Aw yeah....
