Death Rattle

Pantera

Numbing rumble, countless medicine,
Depleted from years of abuse
Death rattle shaking
And there's no faking, undertaking

Pressure point, rigor mortis
Induce, grasp of poison hands
Death rattle shaking
From years of compulsive mistaking

Death rattle shakes
Death rattle shakes

Disease of eyes, the addict blindfold, reduced to
The realms of death
Death rattle shaking
Accumulating life it's taking

Death rattle shakes
Death rattle shakes
Death rattle shakes
Death rattle shakes

I've seen the end, and there is no light.
Like deadly snakes, death rattle shakes

Death rattle shakes
Death rattle shakes
Death rattle shakes
Death rattle shakes
