

# Bad Reputation

## Fleming & John

Blue eyeshadow girls smoking in the bathroom  
They're gonna meet out on the dirt road at a quarter till two  
Whispers, whispers echo through the stall  
Hey isn't that her, isn't she the one? I don't want to be a hero  
I don't want to be a weirdo  
Don't want to be misunderstood  
I just try to be good Why does everybody want a bad reputation?  
You're so bad you'd be a big sensation  
Why does everybody want a bad reputation?  
You're so bad you'd be a big sensation Cool dude, thinks that he's a lady killer  
High school girls fighting over him at the end of the road  
They don't care, if he's ten years older and a loser  
Already been married three times before I don't want to be a hero  
I don't want to be a weirdo  
Don't want to be misunderstood  
I just try to be good Why does everybody want a bad reputation?  
You're so bad, you'll be a big sensation  
Why does everybody want a bad reputation?  
You're so bad, you'll be a big big sensation I don't want to be a hero  
I don't want to be a weirdo  
Don't want to be misunderstood  
I just try to be good Why does everybody want a bad reputation?  
Oh, you're so bad, you'll be a big sensation  
Why does everybody want a bad reputation?  
You're so bad, you're so bad, you're so bad  
You're so bad
