

# Bring It on Down

## Oasis

What was that sound  
Ringing around your brain?  
Today was just a blur  
You gotta head like a ghost train  
What was that sound  
Ringing around your brain?  
You're here on your own  
Who you gonna find to blame?  
You're the outcast  
You're the underclass  
But you don't care  
Because you're living fast  
You're the uninvited guest  
Who stays 'till the end  
I know you've got a problem  
That the devil sends  
You think they're talking 'bout you  
But you don't know who  
I'll be scraping your life  
From the soul of my shoe tonight  
Bring it on down, bring it down for me  
Your head's in a fish tank  
Your body and your mind can't breath  
Bring it on down, bring it down for me  
Your head's in a fish tank  
Your body and your mind can't breath  
You're the outcast  
You're the underclass  
But you don't care  
Because you're living fast  
You're the uninvited guest  
Who stays 'till the end  
I know you've got a problem  
That the devil sends  
You think they're talking 'bout you  
But you don't know who  
I'll be scraping your life  
From the soul of my shoe tonight
