Anyone Can Play Guitar?

Radiohead

Destiny, destiny protect me from the world
Destiny, hold my hand, protect me from the world
Here we are, with our running and confusion
And I don't see no confusion anywhereAnd if the world does turn
And if London burns
I'll be standing on the beach with my guitar
I want to be in a band
When I get to heaven
Anyone can play guitar and they won't
Be a nothing anymoreGrow my hair, grow my hair I am Jim Morrison
Grow my hair, I want to be want to be want to be Jim MorrisonHere we are, with our running and confusion
And I don't see no confusion anywhereAs the world does turn
And if London burns
I'll be standing on the beach with my guitar
I want to be in a band
When I get to heaven
Anyone can play guitar and they won't
Be a nothing anymore
