

# Anyone Can Play Guitar?

## Radiohead

Destiny, destiny protect me from the world  
Destiny, hold my hand, protect me from the world  
Here we are, with our running and confusion  
And I don't see no confusion anywhereAnd if the world does turn  
And if London burns  
I'll be standing on the beach with my guitar  
I want to be in a band  
When I get to heaven  
Anyone can play guitar and they won't  
Be a nothing anymoreGrow my hair, grow my hair I am Jim Morrison  
Grow my hair, I want to be want to be want to be Jim MorrisonHere we are, with our running and confusion  
And I don't see no confusion anywhereAs the world does turn  
And if London burns  
I'll be standing on the beach with my guitar  
I want to be in a band  
When I get to heaven  
Anyone can play guitar and they won't  
Be a nothing anymore
