

Was There a Girl on Your Boys' Night Out

[Terri Clark](#)

You're late, it's well past two
And there's a trace of strange perfume
I can see you had a good time
'Cause honey I ain't blind And I can read you like a book
You've got a guilty look
And there's somethin' I'm wonderin' about
Was there a girl on your boys' night out? No you ain't the kind to cheat
But maybe you would if she threw herself at your feet
Did you look or did you touch?
Tell me now, you owe me that much
I think you know what I'm talkin' about
Was there a girl on your boy's night out? A friend called a while ago
Said there was somethin' I should know
She saw you shootin' pool
With someone who was makin' eyes at you I never have accused
But, baby, I'm a bit confused
I need to know without a doubt
Was there a girl on your boys' night out? No you ain't the kind to cheat
But maybe you would if she threw herself at your feet
Did you look or did you touch?
Tell me now, you owe me that much
I think you know what I'm talkin' about
Was there a girl on your boys' night out?
I think you know what I'm talkin' about
Was there a girl on your boys' night out?
