Lies In Your Eyes

DIABULUS IN MUSICA

Don't disguise your emotions
Cause I know what you think
I vae a sixth sense that
You could not imagineI know what you're thinking
In every moment of your life
I can see beyond your eyes
Every time you look the minesWhy don't you say things straight to me?
Now I can't trust you if you've lost faith in me
Lies beyond your sight
Icy pupils freezing our eyes
This will be the end
Of the knowing glance we hadDo you want to blind me?
What kind of trick will you use?
Are you going to dare me?
Do you think I'll believe you?Your truth is in disguise
Behind all those cunning lies
You fling them as daggers
What is happening with us?WWhy don't you say things straight to me?
Now I can't trust you if you've lost faith in me
Lies beyond your sight
Icy pupils freezing our eyes
This will be the end
Of the knowing glance we had
