

# Deuces [Remix] (feat. Chris Brown & Tyga)

## Gucci Mane

(Talking)

UH OH

You know when you drive fast cars

It's real easy to throw the peace sign up

I ain't mean to leave you n\*ggas in the dust (it's Gucci)SHAWTY FULL OF DRAMA LIKE GANGSTA  
GRIZZILS

SHAWTY FULL OF DRAMA LIKE GANGSTA GRIZZILS

SHAWTY FULL OF DRAMA LIKE GANGSTA GRIZZILS(Gucci Mane)

See I'm a Pimp C, I'm pourin Deuces

We had a Bun B, but shawty screwed it

Don't try to fix it, because it's useless

I surely ain't broke, I need a new b\*tch

I gotta main chick, and a mistress

They think they fancy, very expensive

I'm like some new money, I told my ex to trade me

Preferably MIA ,Texas, South Beach

I'm court side front row waitin Chris Bosh

Pardon Gucci Mane diamonds match her lip gloss

I know my ex-b\*tch see me and she pissed off

I told her keep the memories, b\*tch get lost

Bitch kick rocks, I got them sick rocks

Throw the deuces up just to show my wrist watch (BLING BLAOW)

Just to show my wrist watch,

Throw the deuces up just to show my sick watch (BUR BUR GUCCI)(Chris Brown)

I'm on some new shit, I'm chuckin the deuces up to her,

I'm movin on to something better, better, better, no more tryna make it work

You make me wanna say byebye, say byebye, say byebye to her

You make me wanna say byebye, say byebye, say byebye to her
