## **Breathless**

Now if you love me, please don't tease If I can hold, well, then let me squeeze My heart goes 'round and 'round My love comes tumblin' down You leave me, ahh, breathless, ahhWell, I shake all over and you know why I'm sure it's love, honey, it ain't no lie 'Cause when you call my name You know I burn like wooden flame You leave me so breathless, ahhOoh baby, you're driving me crazy You're much too much I can not love you enough It's alright, hold me tight When you love me, love me rightCome on baby, now don't be shy This love was meant for you and I Wind, rain, sleet of snow I'm gonna getcha wherever you go You leave me so breathless, ahhOoh baby, you're driving me crazy You're much too much I can not love you enough It's alright, hold me tight When you love me, love me rightCome on baby, now don't be shy This love was meant for you and I Wind, rain, sleet of snow
