

# Be Mine For Christmas

Kem

We could go outside and play in the snow  
I could make a little fire we could break it down like eskimoes  
Simply stated there's no place I rather be  
It's Christmas time for you and me girl  
Spread love peace and joy throughout the world  
While every little boy is trying to find something for his favorite girl  
Yes baby your santa clause is on his way  
He'll be keeping you satisfied Christmas day  
What can I do, to make your dreams come true  
For christmas  
What can I bring, to make your heart sing  
So you'll be mine  
For Christmas  
Have a merry Christmas babe  
Hey girl  
There'll be jingle bells for you and me  
We'll snuggle by the christmas tree  
A celebration of green and gold  
We'll sing along to Nat King Cole  
Good tidings to all and to all good cheer  
I just wanna know my baby is here  
Keeping me warm all through the night yeah  
I got an angel by my side  
What can I do to make your dreams come true  
For Christmas  
  
What can I bring to make your heart sing tonight  
So you will be mine  
Christmas is finally here  
I'll be yours anytime of the year  
And I would do anything  
All I want is the joy you bring  
I'll give you my heart wrapped up in a bow  
Fa la la la all the way we go  
It's Christmas when I'm loving you yeah  
What can I do to make your dreams come true  
For Christmas  
Be mine for Christmas  
What can I bring you girl

I wanna make your dreams come true  
So you'll be mine  
I wanna be yours  
Will you be mine babe?  
Yes be mine  
For Christmas  
Be mine for Christmas  
I just wanna love you girl  
Will you be mine  
I will do anything baby  
We can cuddle over by the fire  
Yeah I like that  
Have a merry Christmas girl  
You think you bad don't you  
I know you do  
You said anything  
Girl I'll give you anything  
Be mine
