In My Head (Ft. PRXZM)

Virtual Riot

All I can hear is your voice in my head
Telling me I should've just stayed in bed

But the lights are off and no ones home
I'm walking down an empty road
Looking for a sign that I'm still here

Turn my face into the wind
Start to lose my place again

Has this all been a dream?

Give me a sign that I'm not
Losing my mind
Pinch me, pull me out
Into the light

Losing track of time and space
Running against my own race
Feeling like the walls are caving in
Trying to come up for air
This is more than I can bare

I think it's time to go back to bed

Ooooh~ In my head x4
