

# Hell Yeah

## DJ Rapture ft. Jonn Hart & Milla

They say he is lonely  
They ain?t got big homie  
Straight from inter scope  
Not all know me

Only reason he succeeded was reverse in  
Maybe he was . by duck beat .

They say he is lonely  
They ain?t got big homie  
Straight from inter scope

Not all know me

Only reason he succeeded was reverse in  
Maybe he was . by duck beat .stealing my DNA

. but I don?t give a fuck . forever a part of me  
I am gonna have to go on without . highschool

Hide your IQ average man into a psyche

You know I got a big homie ?.do it for the team

It broke my heart . I know who . white is not black

. you are down for the obvious . knowledge coming up in a ?
