

Lost in Translation

[Reece](#)

The room got so quiet
When love came and went
I'm lost in translation
You lost innocenceSo where are you
So where are you now
It's true I'm letting you downSo let it all out, out
I'm holding back the way I feel for you now, now
I'm holding back right now
It's true I'm lost in translationI'm not what you wanted
I'm not what you need
I'm dark and I'm twisted
I was blind now I seeSo where are you
So where are you now
It's true, I'm breaking you downSo let it all out, now
I'm holding back the way I feel for you now, now
I'm holding back right now
It's true I'm lost in translationSo let it all out, out
I'm holding back the way I feel for you now, now
I'm holding back right now
