

When You Love Someone

Bryan Adams

When you love someone, you'll do anything
You'll do all the crazy things that you can't explain
You'll shoot the moon, put out the sun
When you love someone You'll deny the truth, believe a lie
There'll be times that you'll believe, that you can really fly
But your lonely nights have just begun
When you love someone When you love someone, you'll feel it deep inside
And nothin' else can ever change your mind
When you want someone, when you need someone
When you love someone When you love someone, you'll sacrifice
You'd give it everything you got and you won't think twice
You'd risk it all, no matter what may come
When you love someone You'll shoot the moon, put out the sun
When you love someone
