Shockline

(fly so high)
(who would need, who would need to fly so high)
(who would need, who would need to fly so high)someday I'll find my way to your window
someday I'll find my way to the scyshould I get lost on my way, I know
that's where I should be
that's where I should besomeday I'll find my way to the scy
(fly so high)
seems so dark outside I don't know where to gosould I get lost on my way, I know
that's where I should be
that's where I should beand should I never come home
remember me
remember me(who would need, who would need to fly so high)
(fly so high)
