

5 Steps Of Freedom (Live @ Rock Hard 2007)

Death Angel

Grip the bars that hold my mind
And pace the cell that's stuck in time
Immune to change and far from love
I curse this world and God above
Life is a cage when you're framed and confined
Sentence of pain, 25 to life
I breathe in the sky as I recall the past
And realize these are my last
Need to kill this painful lie
Look over shoulder with my hand on knife
I can't keep living my life this way
I'll do my time but I won't behave
Life is a cage when you're framed and confined
Sentence of pain, 25 to life
I breathe in the sky as I recall the past
And realize these are my last
The road to hell is paved with good intent
Pass barbed wire and cyclone fence
Destiny lies far from this place
A cemetery plot, my final resting place
Got to break this soulless cage
Return my life to human shape
A hell on earth is what they say
Kill or be killed, same shit different day
Life is a cage when you're framed and confined
Sentence of pain, 25 to life
I breathe in the sky as I recall the past
And realize these are my last
I breathe in the sky as I recall the past
And realize these are my last
5 steps of freedom, 5 steps of freedom
5 steps of freedom, 5 steps
5 steps, 5 steps
