

# Girly When I Saw You

## Kawao

Say girly when I saw you  
I loved you had me speechless,  
I don't wanna lose you  
so I won't know no secrets  
You are my weakness  
try and get to know me  
said you can be there for me my one and only

Ohh I'm so sure your the one I mean it girl  
Cause you can count on me to be by your side (hey yea)  
I want you I need gotta have you by my side  
to hold you forever I'll tell u baby thats no lie (no no no no no no)  
baby that's no lie

Say girly when I saw you  
I loved you had me speechless,  
I don't wanna lose you  
so I won't know no secrets  
You are my weakness  
try and get to know me  
said you can be there for me my one and only

Ohh sometimes girl when you're looking at me  
well just come a little closer baby next to me  
everytime I close my eyes I get you in my dreams  
you and me baby together what I truely mean

Coz im thinking and talking got you always on my mind  
without you in my life it means I often regret  
Ohh I told you from the start it is about that time  
Like the time were on here ringing now your making me shy

Say girly when I saw you  
I loved you had me speechless,  
I don't wanna lose you  
so I won't know no secrets  
You are my weakness

said you can be there for me my one and only

Yes you are my flavor undefeated taker
