

Problematic

All

Ambition has its price
Nothing ever works out for me
I forget everything im told
Now i fucken lost my keys
AGAIN!!
Wont let anything go smooth
Wont let nothing restIm Problematic 4xTheres always something wrong
Nothing ever works for me
Makes me so absent minded
Trip on my own two feet
Nothings ever good enough
Even when ive done my bestIm Problematic 3xWont let anything go smooth
Wont let nothing rest
Even when ive done my FUCKING best!!Im Problematic
Im Problematic
Im Problematic
