

All In One

Bob Marley & The Wailers

You, beyond my dreams
And everything above
Among the stars and love
You shine brighter than it all
My all in one And for you,
I count the hours, seconds and heartbeats
Because I know I want to spend the rest of my life
Only with you Love, kisses, synchronicity, timeless and gaps
You are the one
You are my only one And for you,
I will write endless melodies of love
Because I need someone to harmoize with me
My all in one Time, age, synchronicity
Missed places, word will never ever
Take your place
In my mind, in my life
My only one Love, kisses, synchronicity, timeless and gaps
You are the one
You are my only one You, beyond the dreams
And everything above
Among the stars
I love I love only you
My all in one
My all in one
You are my only one
You are my only one
