

# Paint A Smile

Jasmine Villegas

(Verse 1)

Like a car chase  
On the highway  
We were going nowhere real fast  
I let you tear my heart out  
I wear it on my sleeve now  
Though I'd never take my foot off the gas

(Bridge)

You made me smear my make up  
Nothing but dried black mascara  
I'm letting it go

(Chorus)

Tears won't last forever  
Life only gets better  
When the world lets me down  
I paint a smile on , paint a smile on  
Break my heart won't matter  
I'll piece it back together  
When the world lets me down  
I paint a smile on , paint a smile on  
Everybody say  
Ah ah oh ah ah oh oh x3  
Now paint a smile on , paint a smile on

(Verse 2)

I'll forgive you  
But I'll never kiss you  
You'll miss my strawberry lipstick , yeah  
Hope it hits you  
Like a missile  
Promise you 'll never find a better chick

(Bridge)

You made me smear my make up

Nothing but dried black mascara  
I'm letting it go

(Chorus)

Tears won't last forever  
Life only gets better  
When the world lets me down

I paint a smile on , paint a smile on  
Break my heart won't matter  
I'll piece it back together  
When the world lets me down  
I paint a smile on , paint a smile on  
Everybody say  
Ah ah oh ah ah oh oh x3  
Now paint a smile on , paint a smile on  
(Breakdown)  
I'm gonna keep my head up  
Brush this off  
It's time I feel pretty all over again  
Whatever the cost , I'll take a loss , yeah  
Its time that I get back to me  
(Chorus)  
Tears won't last forever  
Life only gets better  
When the world lets me down  
I paint a smile on , paint a smile on  
Break my heart won't matter  
I'll piece it back together  
When the world lets me down  
I paint a smile on , paint a smile on  
Everybody say  
Ah ah oh ah ah oh oh x3  
Now paint a smile on , paint a smile on
