

Strong

Michelle Wright

Megan's Just A Wallflower
Pushing Through The Halls Where
Nobody Knows Her Name
Sometimes High School
Feels Like A Minefield
Just Trying To Get Through The Day
She's An Easy Target For Small Minds
But They Don't Know That Inside She's Strong As Steel
Forged In The Fire
Fighting Through The Scared And The Tired
Till All The Weak Is Gone
She's Strong Susan Counts Her Tips And Looks In On Her Kids
Makes Sure They Get Their Homework Done
They're Gonna Go To College
She'll Work As Many Jobs As It Takes
For Her Daughter And Son
Some Nights She Feels Defeated
But Don't Mistake That For Weakness She's Strong As Steel
Forged In The Fire
Fighting Through The Scared And The Tired
Always Darkest Before The Dawn
She's Strong Enough To Bend
But Never Breaking
Strong In The Face Of The Battle Raging
Set On Moving On Strong As A Prayer Arms Wide Open
A Long Shot Heart Dead Set On Hoping
Strong As A Will That Won't Be Broken She's Strong As Steel
Forged In The Fire
Fighting Through The Scared And The Tired
Set On Moving On
Strong Enough To Bend But Never Breaking
Strong In The Face Of The Battle Raging
Till All The Weak Is Gone
She's Strong Strong
