

# Til I Am Myself Again

## Blue Rodeo

I wanna know where my confidence went  
One day it all disappeared  
As I'm lyin' in a hotel room miles away  
Voices next door in my ear Well, daytime's a drag, nighttime's worse  
Hope that I can get home soon  
But the half-finished bottles of inspiration  
Lie like ghosts in my room Well, I wanna go, I know I can't stay  
But I don't wanna run feelin' this way Til I am myself  
Til I am myself  
Til I am myself again There's a seat on the corner, I keep every night  
Wait 'til the evening begins  
And I feel like a stranger from another world  
But at least I'm livin' again There were nights full of anger, words that were thrown  
Temper that is shattered and thin  
But the moments of magic are just to short  
They're over me before they begin Well, I know it's time, one big step  
I can't go, I'm not ready yet Til I am myself  
Til I am myself  
Til I am myself again I had a dream that my house was on fire  
People laughed while it burned  
Well, I tried to run but my legs were numb  
I had to wait 'til the feeling returned Well, I don't need a doctor to figure it out  
I know what's passing me by  
When I look in the mirror sometimes I see  
Traces of some other guy Well, I wanna go, I know I can't stay  
I don't wanna run, feeling this way Til I am myself  
Til I am myself  
Til I am myself again
