

# You Got to Keep on Trying

**Jimmy Dawkins**

You Got To Keep On Trying  
This life is a hard road to travel,  
but I know I got to keep on trying.  
This life is a hard road to travel,  
oh, but I know I got to keep on trying.  
My friends are all talking about me,  
but I know I just can't pay them no mind.  
They say: love don't love nobody,  
now I believe this story is true.  
They say: love don't love nobody,  
and I believe this story is true.  
All the good I give them one,  
you know, why the wrong keep coming through?  
They say love don't love nobody,  
and I believe this story is true.  
They tell me: love don't love nobody,  
you know, I believe this story is true.  
All the good you wanna do,  
why the wrong keep coming through?
