

Metal Crusaders

Exciter

Rise up!
The end is near, it's fast and loud
Shout it!
Never say die! And come out alive
Cry out!
The sonic thunder of crushing iron
Scream out!
Legions of strength stand up and shout!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
Violence
The streets are dark right to the end
Rip off your face
Forget the war of anger and hate
Dying
Relent the race and surrender you will
Pounding
The hammer falls on disciples of Hell
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The strong annihilates!
The strong annihilates!
The strong annihilates!
The strong annihilates!
(Metal Crusader...)
(SOLO)
Rise up!

The end is near, it's fast and loud
Shout it!
Never say die! And come out alive
Cry out!
The sonic thunder of crushing iron
Scream out!
Legions of strength stand up and shout!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The force of the molten mask
Fears the charge of... Metal Crusaders!!
The strong annihilates! (Kill, kill, kill!!!)
The strong annihilates!
The strong annihilates!
The strong annihilates! (Kill, kill, kill!!!)
