Make Me Stay or Make Me Go

Jessi Alexander

Last night I put the top down
And drove to the edge of town
A part of me just kept on goin' when I turned around
Why did I turn around?Every day it's more confusing wonderin' where I stand
The things you say and the things you're doing
Never go hand in hand
I don't understandI don't know why you wanna keep me guessin'
I try to keep holding on
Just tell me what I want to hear or please just tell me no
Baby, make me stay or make me goIt's gonna take more than a cold shoulder
To make me walk away
Let's get it on or get it over, what have you got to say?
What have you got to say?I don't know why you wanna keep me guessin'
I try to keep holding on
Just tell me what I want to hear or please just tell me no
Baby, make me stay or make me goI don't know why you wanna keep me guessin'
I try to keep holding on
Just tell me what I want to hear or please just tell me no
Baby, make me stay or make me go
Yeah, baby, make me stay or make me go
