

Greasy Grass River

The Black Crowes

Now I'm swimming in the greasy grass river
On my way to the black pearl sea
Yeah I'm floating down the greasy grass river
Come on child, come with me
Life is so easy on greasy grass river
Just take my hand and we can pretend to be free
You want to be
Free
Come on with me

So take me down the greasy grass river
And wash my hair where the water's clean
Said lay me down by the greasy grass river
And unfold my mystery
The greasy grass river has water that whispers
Lets listen closely while she says she wants to be free
You want to be
Free
You know what I mean

Said I'm out of my pocket and I'm out my mind
