

# Too Hot To Handle

## UFO

Caught in the crossfire, warnin' fight  
Legends make or break game  
Swept up by the rollin' waves of the night  
They chase for fame An' I was too, too hot baby  
Too hot to handle  
Yeah, I was too, too hot  
Too hot to handle Wink of an eye, the feelings ran high  
A real rock an' roll molest  
But I ain't no romance and I ain't no slow chance  
Won't get no quick change Yeah, I'm too, too hot baby  
Too hot to handle  
Yeah, I'm too, too hot baby  
Too hot to handle Sha la la la, roll you over  
Turn you around and do it again  
Sha la la la, keep on comin'  
Do it once but never the same Sha la la la, roll you over  
Turn you around and do it again  
Sha la la la, keep on comin'  
An' do it once but never the same I'm in your town, won't fool around  
I'll take some action stand  
Just like the story says, these boys are bad  
So keep out of shootin' range 'Cause I'm too, too hot baby  
Too hot to handle  
Yeah I'm too, too hot  
Too hot to handle 'Cause I'm too, too hot baby  
Too hot to handle  
Yeah, I'm too, too, too hot  
Too hot to handle
