Violets of Dawn

Ricky Nelson

Take me to the night I'm tippin topsy turvy turning upside down

Hold me tight and whisper what you wish

For there is no one here around

Oh you may sing song me sweet smiles

Regardless of the city's careless frown

Come watch the no colors fade blazing

Into pedal sprays of Violets of Dawn

In blindful wonderments enchantments

You can lift my wings softly to fly

Your eyes are like swift fingers reaching out

Into the pockets of my night

Whirling twirling puppy warm before the flashing cloaks of darkness

gone
Come see the no colors fade blazing

Into pedal sprays of Violets of Dawn

Some prince charming I'll be

On Two white steeds to bring you diamond crowns

And climb your tower sleeping beauty

Before you ever know I've left the ground

You can wear a Cinderella Snowhite Alice Wonderland gown

Come watch the no colors fade blazing

Into pedal sprays of Violets of Dawn

But if I seem to wander off in dream like looks

Please let me settle slowly

It's only me just staring out at you

A seeming stranger speaking holy

I don't mean to wake you up it's only lonliness just coming on

So let the no colors fade blazing into petal sprays

Of Violets Of Dawn

Like shadows bursting into mist

Behind the echoes of this nonsense song

It's just chacing whispering trail

Of secret steps see them laughing on

There's magic in the sleepiness of waking to a childish sounding yawn

Come watch the no colors fade blazing

Into pedal sprays of Violets of Dawn
